<p>Moved by Councillor Miller Seconded by Councillor Graham</p> <p>That the start time of the Regular Council meetings (Open) be moved by 4:00pm</p> <p>The motion passed on a recorded vote 5-4.</p>	<p>No</p>
<p>Rationale:</p> <p>I made a motion in January 2015 to change the Regular Council meeting time to 5:00pm which was approved by Council. The reasoning was simply. To provide residents with better access to Council meetings should they wish to be present in the public gallery or, more importantly, address council as a deputation. Local government should be accessible and business conducted at a time that maximizes public participation. Based on my research, every municipality in the east GTA and along to the eastern boundary of Ontario had their council meetings at 6pm or later. I could not support returning to an earlier time.</p>
